

CONTINUING EDUCATION DEADLINE NEARS

The first reporting period deadline of continuing education credits for loan originators and Qualified Persons in Charge (QPIC) is October 31, 2008. **IF YOUR LICENSE WAS ISSUED ON OR BEFORE OCTOBER 31, 2006, OR YOU WERE DESIGNATED AS THE QPIC FOR A LOCATION OF YOUR COMPANY ON OR BEFORE OCTOBER 31, 2006, THEN YOU ARE REQUIRED TO HAVE SIXTEEN (16) HOURS OF IDAHO-APPROVED CE CREDITS COMPLETED BY OCTOBER 31, 2008.** Certificates of completion must be filed with the Department no later than November 30, 2008.

Licenses and QPICs are encouraged to submit their course completion certificates early and not hold them until all credits are accumulated. This will allow Department staff to post credits to your record and notify you if any of the credits are unacceptable for any reason, thus allowing time to complete any necessary requirements. It will also allow time to secure information that may be missing from a provider so that no credits are lost.

If you need to verify the approved credits you currently have on file with the Department, please send an email request to mortgage@finance.idaho.gov.

Certificates may be emailed to mortgage@finance.idaho.gov, faxed to 208.332.8096 or mailed to the Consumer Finance Bureau at P.O. Box 83720, Boise, ID 83720-0031. If you have questions, please call 208.332.8002.
