

## STATE CREDIT UNION

### BRANCH RELOCATION NOTIFICATION

The Idaho Credit Union Act § 26-2108(p) provides that a credit union has the power to relocate its head office or branches upon written notice to the director. This form lists the information that will be considered sufficient for the Department to consider the relocation. If the proposed location is within the same city as the current head office or branch, it will be considered a relocation and completion of this form will be acceptable to meet § 26-2108(p). If the proposed location is not within the same city, the credit union should submit an application for a new branch pursuant to the Idaho Credit Union Act § 26-2143.
