In the Matter of:

Docket No. 2021-9-01

**ORDER TO CEASE AND DESIST**

The State of Idaho, Department of Finance staff (Department), pursuant to the Idaho Collection Agency Act, Idaho Code § 26-2221 *et seq.* (the Act), represents the following facts that constitute a basis for the issuance of an order pursuant to § 26-2244(1) of the Act, requiring GO TO DRA, LLC, and DRA, LLC, both aka Debt Recovery Associates (“collectively referred to herein as “Respondents”), to immediately cease and desist from violating the Act.

## RESPONDENTS

1. Respondent Go To DRA, LLC, (GTD) is a Florida limited liability company and conducts third party collection activity from a Florida address at 88005 Overseas Highway #10-152, Islamorada, Florida 33036. Joe Cagle is listed as the Registered Agent for the GTD on the Florida Division of Corporations website: <https://businessfilings.sc.gov/BusinessFiling/>.

2. Respondent DRA, LLC (DRA) is a South Carolina limited liability company and conducts third party collection activity from a South Carolina address at 421 N Main Street, Simpsonville, South Carolina 29681. Similar to GTD, Joseph Cagle is listed as the Registered Agent for DRA on the South Carolina Secretary of State website: <https://dos.myflorida.com/sunbiz/>.

3. The website, [www.gotodra.com](http://www.gotodra.com), shows the interchangeable relationship between GTD and DRA at the bottom of the Contact page: "©2020 DRA LLC." This webpage also represents that GTD and DRA are both known as Debt Recovery Associates.

4. GTD and DRA also represent to customers on this website the following: "If you received a call or letter from us, it means your creditor or bank has made a business decision to transfer probably not just your account but others to collections or charged them off. (Sold) Debt Recovery Associates LLC is now to whom your debt is owed if this is the case." On the same website, GTD represented the following to potential clients, "Ask about our new 'Soft' Collection product that ensures your compan[y]'s good reputation through an electronic only collection model that eliminates the risk of complaints from traditional phone-based collections."

## ACTIVITY

5. The Respondents have never applied for nor ever been issued any license under the Act.

6. On September 22, 2020, Idaho resident, K.C. filed a complaint with the Department regarding Respondents' collection activity against her.

7. In her complaint and subsequent communication with a Department staff member, K.C. indicated that a representative from "Debt Recovery Associates" had been contacting her by telephone several times per week from numerous different phone numbers. The representative, mainly someone by the name of "Peter," stated that he was attempting to collect a debt on behalf of a company that claimed K.C. owed it \$560. K.C. was asked by the representative to provide personal information such as employer details, social security number, and financial information to be used for payment purposes.

8. K.C. indicated that during these phone calls, she made multiple requests of Debt Recovery Associates for verification of the debt, as she has no record of this obligation, but never received any verification. She said that she also attempted to log in to the Respondents' website to initiate the chat function with the Respondent, but was unsuccessful.

9. On September 30, 2020, the Department sent a certified stop-letter to Respondents, at two addresses, regarding their unlicensed debt collection activity in Idaho. In that letter, the Department requested all of Respondents' documents relating to the assignment of the debt against K.C. The Department also directed Respondents to cease all collection activities in Idaho and to provide information necessary for the Department to determine the extent of Respondents' unlicensed debt collection activities in Idaho. Further,

that letter advised Respondents of the license requirement for engaging in collection activities regulated under the Act in Idaho, and informed Respondents of the possible sanctions under the Act for unlicensed activity. The letter also informed Respondents of the process for obtaining a license. The Department required that Respondents provide all of the requested information by October 21, 2020, but the letters were returned as undeliverable.

10. On November 4, 2020, the Department sent second certified stop-letters, along with copies of the letter dated September 30, 2020, requesting that Respondents respond by November 18, 2020, to Respondents' alleged unlicensed third-party collection activities in Idaho. The Department's letters were again returned as undeliverable.

11. On October 14, 2020, the Department received another complaint against DRA, which was received from the Idaho Attorney General's Office, from Idaho resident, D.C., regarding Respondents' collection activity against her. In her complaint, D.C. indicated that DRA was attempting to collect a debt associated with her brother and that she had no record or obligation regarding that debt.

12. D.C. claimed that Respondents repeatedly called her to the point where she had to take her phone off the hook. She stated that she attempted to use the messaging function on Respondents' website, but no one responded.

13. On October 23, 2020, the Department sent a certified stop-letter to Respondents, at both addresses, regarding its unlicensed debt collection activity in Idaho. In that letter, the Department requested all of its documents relating to the assignment of the debt against D.C. The Department also required Respondents to cease all collection activities in Idaho and to provide information necessary for the Department to determine the extent of

Respondents' unlicensed debt collection activities in Idaho. Further, that letter advised Respondents of the license requirement for engaging in collection activities regulated under the Act in Idaho, and informed Respondents of the possible sanctions under the Act for unlicensed activity. The letter also informed Respondents of the process for obtaining a license. The Department required that Respondents provide all of the requested information by November 7, 2020, but the letters were returned as undeliverable.

14. On November 13, 2020, the Department sent second certified stop-letters, along with copies of the letter dated October 23, 2020, requesting that Respondents respond by November 23, 2020, to Respondents' alleged unlicensed third-party collection activities in Idaho. The Department's letters were again returned as undeliverable.

15. To date, the Respondents have failed to respond to the Department's correspondence or file an application for licensure with the Department.

16. Based on information provided to the Department and described above, the Respondents have engaged in debt collection activity in Idaho and are not licensed, in violation of the Act.
