**STIPULATED JUDGMENT AND
PERMANENT INJUNCTION REGARDING

The State of Idaho, Department of Finance, Securities Bureau (Department) and Defendant Bart Ted Taylor, individually and dba First Teton Financial, LLC (Taylor), parties to the above-captioned action, having agreed to resolve all allegations set forth in the Complaint filed in the above-captioned action by the Stipulation and Consent to Entry of Judgment Regarding Defendant Bart Ted Taylor on file herein,

WHEREFORE, by virtue of the law and by reason of the premises aforesaid, THE COURT HEREBY ADJUDGES, ORDERS, AND DECREES as follows:

**I.
PERMANENT INJUNCTION**

Taylor is permanently enjoined from engaging in any act or practice that violates any provision of Idaho's Uniform Securities Act or any rule promulgated thereunder, and is permanently enjoined from selling, offering for sale or issuing securities in any form in the state of Idaho, pursuant to authority granted this court by Idaho Code § 30-14-603(b)(1).

**II.

The Department is hereby awarded a money judgment against Taylor in the total amount of six hundred ninety-one thousand five hundred thirty-four dollars (\$691,534), to be paid according to terms of the Stipulation and Consent to Entry of Judgment executed by Taylor and the Department.

Such money judgment amount includes restitution in the amount of six hundred eighty-seven thousand five hundred thirty-four dollars (\$687,534), which is to be paid to the Department for the ministerial function of being returned as restitution to persons who invested with Taylor in this case, pursuant to Idaho Code § 30-14-603(b)(2)(C). Restitution payments received pursuant to this judgment shall not become assets of the Department. The Department may distribute restitution in an equitable manner, taking into account amounts invested by individual investors, the number of investors, the amount of restitution to be received by each investor, the frequency and timing of the payments, and the burden on the state in making restitution, and need not necessarily be paid according to a strict ratio of investment to restitution.
